# What Council membership will involve

#### Time commitment

As a Council member, you may expect a commitment of around 6 days a year for Council business.

It is important that members are available to attend Council meetings. Papers will be circulated a week prior to a meeting date. Some items of the Council's work are issued as an item by correspondence where an expedited decision is required or where it is unnecessary to wait until a meeting date to consider the item for progressing.

#### Tenure

Members are appointed for 3 years (but can be reappointed), unless they: resign, become disqualified from membership, are removed by the Lord President, or cease to fall within the category of membership to which they were appointed.

# Expenses and remuneration

Members will be able to claim for costs associated with Council or committee business, including attending meetings, training and preparation time. Members who incur financial loss or extra expenditure associated with Council or committee business, will, in exceptional circumstances, be considered for reimbursement of reasonable costs. Members will not receive remuneration.

The expenses scheme for members is available here.

# Who can apply

To be considered for appointment, applicants must be practising Advocates of at least 5 years' standing and have experience of litigating in the Court of Session or in civil proceedings in the sheriff court.

#### Assessment

Candidates will be assessed on their merits and with a view to achieving a suitable range of skills and expertise across the membership to enable the Council to fulfil its functions effectively.

Candidates successful at the application stage will be invited to interview by an appropriate selection panel.

#### Selection criteria

The Selection Panel will be looking for applicants to have a selection of the criteria with the intention that the successful candidates will between them cover them all.

While it is not expected that individual applicants will be able to meet every one of the criteria listed, it is in your best interests to provide specific examples for as many of the criteria as you can. Criteria for selection will include the following:

# 1. Legal knowledge and skills

- Knowledge and experience of civil law and the civil justice system, including any specialist areas
- Ability to interpret and apply laws and regulations
- Knowledge and experience of sheriff court civil procedure and sheriff court rules

# Completing the application form

The application form asks you to give examples of where you have demonstrated the skills and knowledge and criteria required for this appointment. The examples you choose need not only come from your working life but may also include home life, voluntary activities and the like. Please note that job titles etc. on their own will not be taken as evidence of meeting the criteria and the selection panel will not make assumptions based on titles alone.

For each example you should state:

- In what capacity you acquired the skills and knowledge i.e. what did you do, how did you do it, why did you do it and what was the result;
- How recently you acquired them; and
- How frequently you applied the skills or knowledge.

It is important that you provide specific examples of how you meet the criteria. A useful way to set examples out is to use the STAR method:

**Situation –** Describe the situation and explain what happened

**Task -** Outline the task you had to complete and describe your responsibilities

**Action –** Explain the steps that you took or the decisions you made

**Result –** Explain the outcomes of your actions.
